The History of Cork (City and County), of its People and Institutions, is specially dear to Corkmen. This History is, however, fast dying out. The men and the books that have so long treasured it are disappearing, and there can be little doubt that unless the Corkmen of to-day bestir themselves to preserve it, in a few years but little will remain.

THE CORK HISTORICAL AND ARCHÆOLOGICAL SOCIETY has been formed for this purpose. It numbers amongst its promoters many whose names are a guarantee that the work it undertakes will be well and perseveringly done.
